

All of us at UNIQLO are extremely proud to partner with the International Tennis Federation, to become the title sponsor of the UNIQLO Wheelchair Tennis Tour. The Tour comprises over 160 tournaments in more than 40 countries, including wheelchair tennis events at all four Grand Slam tournaments.

UNIQLO has sponsored Shingo Kunieda, wheelchair tennis world champion, since 2009. Our partnership with Mr. Kunieda is based on a shared drive to achieve number one in our respective fields: UNIQLO through clothes, and Mr. Kunieda through wheelchair tennis. With the UNIQLO Wheelchair Tennis Tour, we aim to further build the sport's fan base, and support those facing disability worldwide.

UNIQLO is a leading global brand from Japan and is part of the Fast Retailing Group. We design, manufacture, and retail men's, women's, and kids' apparel – offering great clothing, with new and unique value, to enrich the lives of people everywhere. I would like to wish everyone involved in the event the very best of luck, and I hope that you have an enjoyable week.
